

Gunn Estate

SILISTRIA SYRAH 2007

WINEMAKERS NOTE

This wine has an enticing ripe berry fruit aroma, with blueberry and floral notes overlaying vanillin oak nuances and a deep savoury complexity. A very rich dense and contrerated palate. The structure is refined with elegant tannins, excellent length, and an overall harmony that bars evidence of the integrity and quality of fruit and winemaking.

Winemaker | Denis Gunn

VINTAGE SUMMARY

A fabulous Indian summer led to a stunning Hawke's Bay vintage. Overall, physiological maturity was achieved in all varieties, yields were good, and flavours are intense. Time will tell the standout wines of this vintage, however the defining attribute of 2007 is the overall high quality.

VINIFICATION

Hand picked grapes were gently destemmed to small open fermentors. Hand plunged 3 times daily throughout ferment. Matured 12 months in french oak barriques.
